

VISION STATEMENT

The vision of the Texas Silver-Haired Legislature is that the applied wisdom, energy, and experience of aging will improve the lives of all Texans through education, knowledge, and involvement in legislation and governmental affairs.

There are 5.2 million seniors 60 years and older living in Texas today. They are our constituents. TSHL identifies the issues and problems of our peers, develops problem-solving solutions, and advocates for adoption of these solutions by the Texas Legislature.

*That's the mandate to us from the Governor and Legislature of Texas

Better Lives for Senior Texans!

HISTORY

The Texas Silver-Haired Legislature was created by the 69th Texas Legislature with the adoption of SCR 37, April 3, 1985. The first Session was held in 1986 and has continued for 35+ years. Seniors 60 and over are elected to a 2-year term by their peers from 28 districts in Texas. Since 1985, more than 700 seniors have been elected legislators. TSHL is a total volunteer group with no paid staff or office; TSHL is not supported by State Funds.

The TSHL Foundation - The founders established the TSHL Foundation in 1985 as a non-profit (501(c)(3) agency to raise funds to support TSHL. Other resources come from individual members who finance their travel and other expenses. The Foundation actively solicits tax-deductible gifts, grants, and donations that will support the operational expenses of the TSHL Legislature for its training and orientation meetings and its research and policy-development activities.
